<u>W.A.P. S. Week 4</u> <u>Wed. 1-29-25</u>

Essential Question:

What is the difference between shape and form?

<u>What will I learn :</u>

The student will learn the differences between shape and form. The student will learn the basic shadow structure on an object and will learn how to apply this structure to objects in a drawing.

How I will learn it? (Agenda)

-Watch how to draw forms

-Draw, shade, and label forms

How do I know I learned it?

When I can score at least a 3 on the scale

- 4 I can correctly complete this activity innovatively.
- 3 I can correctly complete this activity independently
- 2 I can correctly complete this activity using peers assistance
- 1 I can correctly complete this activity using teacher assistance

Reminders:
